

Little By Little

Marion Raven

A mean reply, so I scream
Another fight about nothing at all
And then we cry and forgive
Promising that we will never fall again

I know this much is true
Hey

Little by little
I think we'll understand this
Little by little
I think we'll comprehend it
Little by little
You'll take me as I am yeah
Little by little

It'll take some time to find it out
To make a change, you gotta change your mind

Cause it's hard enough to get a grip
It's hard as it is without us being left behind

I know this much is true
Hey

I don't care
If you don't say it
I don't care
Cause I know it
No, we don't care

I don't care if you don't say it
No I don't care
(little by little)
If you don't say it
I think we'll understand this
yeah
(little by little)
I think we'll comprehend it
(little by little)
You'll take me as I am yeah
(little by little)

(little by little)
(I think we'll understand this)
We don't care at all

(little by little)
I think we'll comprehend it
We don't care
(little by little)
(You'll take me as I am yeah)
(little by little)

(little by little)
(I think we'll understand this)
(little by little)

I think we'll comprehend it
We don't care
