

# The Flame

Marion Raven

Wouldn't you like me to move  
Move without your groove  
That I can do  
Would you like the Lord,  
To have mercy on your soul, mercy on you?

That's what people do  
Fall in love like you  
And I  
That was my mistake  
And I will never make  
That mistake again

I will be the flame  
That burns in your heart  
Forever  
I will be the flame  
Alive in your heart  
Forever and ever

Did I get you wrong?  
You misunderstood, I misunderstood  
Let go of what you've got  
Help me put 'em on  
Good for you

That's what people do  
Fall in love like you  
And I  
That was my mistake  
And I will never make  
That mistake again

I will be the flame  
That burns in your heart  
Forever  
I will be the flame  
Alive in your heart  
Forever and ever

Would you like me to live  
In your heart  
Forever and ever?  
Would you like me to live  
In your heart  
Forever and ever?  
And ever? And ever?  
And ever? And ever?
