

# Tomorrow Is Today

Marit Bergman

Baby, baby, dry your eye  
And tell the girls I'm back in town  
I know I've kept you waiting for too long  
But I just had to write this song  
About the endless summer nights

So baby, baby, dry your eye  
And bring your voice and bring your smile  
All of us who don't belong  
To anything or anyone  
Hurry up we're losing time

And I will meet you in the corner  
Of Lucky Avenue and 7th  
And I will take you all the way  
To where the streets don't have no shadows  
To where tomorrow is today  
Tomorrow is today... oh!

So baby, baby, dry your eye  
And stay with me now for a while  
Oh I'm not good or kind or strong and don't have much  
But I swear to you I'll give you all I've got  
So don't ask me when or why

Just know you'll meet me in the corner  
Of Lucky Avenue and 7th  
And I will take you all the way  
To where the streets don't have no shadows  
To where tomorrow is today  
Tomorrow is today  
Tomorrow is today

And I will meet you in the corner  
Of Lucky Avenue and 7th  
And I will take you all the way  
To where the streets don't have no shadows  
To where tomorrow is today  
Tomorrow is today  
Tomorrow is today  
Tomorrow is today  
Tomorrow is today
