

# Blame It On Texas

Mark Chesnutt

Been havin' a ball since I was a boy in Beaumont  
Love that town but I just couldn't stay  
Two stepped all the way to Amarillo  
Shuffled my way into Santa Fe  
Just had to see the sun set out in Frisco  
The Golden Gate is great  
But it ain't home  
Give me a rodeo

Blame it on Texas  
Don't blame it on me  
I am who I am  
And that's what I'm gonna be  
You can say what you wanna say  
About my insanity  
Blame it on Texas  
Don't blame it on me

Met a girl out in eastern Oklahoma  
Her daddy was a Tulsa millionaire  
With miles and miles of oil wells he'd leave her  
All a man could want was waitn' there  
But one night while she lay sleepin' I slipped away  
Like no man in his  
Right mind would do  
Call me a fool

Blame it on Texas  
Don't blame it on me  
I am who I am  
And that's what I'm gonna be  
You can say what you wanna say  
About my insanity  
Blame it on Texas  
Don't blame it on me
