

## Going On Later On

Mark Chesnutt

Well what cha got goin' on later on what cha gettin' into tonight  
If you don't have a plan plan on havin' one what cha got goin'  
on later on

I cashed my check at the AmSouth drive through kept a couple hundred back  
I bought a bag of ice for my Igloo cooler and a Miller Lite half rack  
Stopped by the shack long enough to shower and call you on the telephone  
Well it's Friday night and I'm havin' a party and ya can't have a party alone

So what cha got goin' on later on what cha gettin' into tonight  
If you don't have a plan plan on havin' one what cha got goin'  
on later on

We can take a little drive out to the reservoir park and watch the sunset  
Zip a couple long necks up in a kuzee get cozy in my pick up bed  
We can take it into town do some honky tonkin' break in your new cowboy boots  
Or we can just stay in lay low on the sofa baby anything you wanna do

So what cha got goin' on later on what cha gettin' into tonight  
If you don't have a plan plan on havin' one what cha got goin'  
on later on

Well what cha got what cha got goin' on later on what cha gettin' into tonight  
If you don't have a plan plan on havin' one what cha got goin'  
on later on
