

It's Not Over (If I'm Not Over You)

Mark Chesnutt

You can tell everyone love is over and done
You can pack all your things and go
You can lie to yourself and say there's nothing left
But there's one thing I'd like you to know.

That it's never really over
Even though you say we're through
You may be over me but can't you see
It's not over if I'm not over you.

There's not much I can do if it's over for you
I'll just wish you the best when you leave
But you play such a part in my life and in my heart
You'll always be a part of me.

That it's never really over
Even though you say we're through
You may be over me but can't you see
It's not over if I'm not over you.

You may be over me but can't you see
It's not over if I'm not over you...
