

# So You Can't Hurt Me Anymore

Mark Chesnutt

It's getting hard to look me in the eyes  
The sad truth is mirrors never lie  
After all the pain you put me through  
I always kept on running back to you

There was a time we were the best of friends  
You had my back through the thick and thin  
But now I realize the bitter truth  
All I've got is everything to lose

It's time to go  
Our separate ways  
Been going through hell  
From all the hell we raise  
There comes a day  
To turn the page  
So tonight I'm pouring you out on the floor  
So you can't hurt me anymore

Since you left we've been hand and hand  
Nowadays I don't recognize the man  
You know I thought she got the best of me  
But you're the one who put me on my knees

It's time to go  
Our separate ways  
Been going through hell  
From all the hell we raise  
There comes a day  
To turn the page  
So tonight I'm pouring you out on the floor  
So you can't hurt me anymore

It's time to go  
Our separate ways  
Been going through hell  
From all the hell we raise  
There comes a day  
To turn the page  
So tonight I'm pouring you out on the floor  
So you can't hurt me anymore

You can't hurt me ... anymore
