

# Try Being Me

Mark Chesnutt

You say you don't know where to start  
Telling me is breakin' your heart  
It's not that you don't care for me  
It's just that you're not in love anymore  
You stare at the floor.  
You say it's no one's fault that feelings change  
And you'd rather not get into blame  
You don't know if it's choice or fate  
But you can't fight this need to be set free  
Tomorrow you'll leave  
You tell me this is hard for you  
You should try being me.

Try watching dreams  
Crash to the ground without warning  
Try not to beg  
When the one you love says they're going  
Hell's near and you know it  
You tell me this is hard for you  
You should try being me.

You say you don't deny what we had  
But we can't tie the future to the past  
I'll always be a part of you  
And hurting me's the last thing on your mind  
But you can't live a lie  
You tell me this is hard for you  
You should try being me.

Try watching dreams  
Crash to the ground without warning  
Try not to beg  
When the one you love says they're going  
Hell's near and you know it  
You tell me this is hard for you  
You should try being me...
