

Back Burner

Mark Lanegan

Put it on a back burner mamma
I ain't gonna let you down
Put it on a back burner mamma
Promise you I'll stick around

Everybody up and sliding
Bump and grinding
I ain't gonna let you down
Promise you I'll stick around

Put it on a back burner mamma
I ain't gonna let you down
Put it on a back burner mamma
Promise you I'll stick around

Ain't gonna be back sliding
Up and out again
I ain't gonna let you down
Promise you I'll stick around

Everybody up and sliding
Bump and grinding
I ain't gonna let you down
Promise you I'll stick around
