

Creeping Coastline Of Lights

Mark Lanegan

Leaving Hollywood
Sunset to the sea
Where the waves
Ride in on horses
I'm looking for her light
Creeping coastline of lights

The seas and the trees
Calling me
She's a river between day and night
I'm looking for her light
Creeping coastline of lights

She's comin down
From her mountian
Shinin white light
Like a fountain
And I'm lookin for her light
Creeping coastline of lights
And I'm lookin for her light
Creeping coastline of lights
