

# On The Steps Of The Cathedral

Mark Lanegan

I'm so sorry  
I know exactly what you mean

Tired of being devilish  
Sick of being wicked  
Habitual and untrue

Another starting over  
Although it is the ending  
I send regards to you

Standing on the steps  
Steps of the Cathedral  
Watch the summer fade

Just trying to get to somewhere  
Trying to get just anywhere  
And I know, it ain't my day
