

Stitch It Up

Mark Lanegan

The hounds are behind me
Bootstraps following
You know you can't find me
I'm miles from the crime scene

Ah, baby why'd you stitch it up?
Ah, baby why'd you stitch it up?
Why'd you stitch it up?
Why did you stitch it up?

Arson on a hillside
Down through the seaside
Chopping up the state line
Diamonds in the death mine

Ah, baby why'd you stitch it up?
Ah, baby why'd you stitch it up?
Why'd you stitch it up?
Why did you stitch it up?

Bang bang, tick tock
Stolen grandfather clock
Pale bullet car crash
I'm suffering the whiplash

Ah, baby why'd you stitch it up?
Ah, baby why'd you stitch it up?
Why'd you stitch it up?
Why did you stitch it up?

Why did you stitch it up baby?
Why did you stitch it up baby?

The beast walk next to me
Into that blinding
Can't buy me
Life still inside me, yeah
