

Copacabana

Mark Medlock

Oh baby tell me dreams are no illusion
The stars are shinin' shimmrin' on the ocean
Like a diamond's shinin' in the deep blue water
Your eyes are shinin'shinin' in the night

Bring me back to the Copacabana
Bring me the sun again
We'll fly to the Club Tropicana
To the rainbows end
Bring me back to the Copacabana
Coconut palm trees for you
Tropical nights in Lambada
I want our dreams I want our dreams come true

You are smilin' baby like this sunshine
Love is a rainbow colours for a lifetime
Like a fire burnin' in a hearts emotion
Your love is flyin'is dyin' just for me

Bring me back to the Copacabana
Bring me the sun again
We'll fly to the Club Tropicana
To the rainbows end
Bring me back to the Copacabana
Coconut palm trees for you
Tropical nights in Lambada
I want our dreams I want our dreams come true
