

# Every Heart Is Beating

Mark Medlock

Oohu...oh

Everytime I miss you so  
Cause you're not here with me  
I can't put my arms around  
Baby, round the memory  
Cause everytime I miss you so  
I swear I'll never let you go  
Oh my love is running wild  
And Baby I will let you know

Oh if I ain't got you  
I swear my heart will die  
Oh if I ain't got you  
Theres no other try

Refrain:

Oh every heart is beating, beating  
And every beat will cry for you  
Don't tell me that its over, over  
Oh, we'll see what my love will do  
Oh, every heart is beating, beating  
And your heart beats like a crown  
Dont tell me that its over, over  
Oh girls wanna have some fun

Everytime I need you more  
Baby in my arms again  
Tell me why we can't be more  
Baby, more than friends  
Cause everytime I feel alone  
Ain't these growing lonely nights  
And I feel day in day out  
I miss your place just by my side

Oh if I ain't got you  
My heart is crying just for you  
Oh if I ain't got you  
I swear my heart feels so blue

Refrain:

Oh every heart is beating, beating  
And every beat will cry for you  
Don't tell me that its over, over  
Oh, we'll see what my love will do  
Oh, every heart is beating, beating  
And your heart beats like a crown  
Don't tell me that its over, over  
Oh girls wanna have some fun

Oh girls wanna have some fun, yeah

Oh every heart is beating, beating  
And every beat will cry for you  
Don't tell me that its over, over

Oh, we'll see what my love will do  
Oh, every heart is beating, beating  
And your heart beats like a crown  
Don't tell me that its over, over  
Oh girls wanna have some fun

Oh every heart is beating, beating  
Don't tell me that its over, over  
Oh every heart is beating, beating  
Don't tell me that its over, over  
(beating, beating)
