

# Heaven Is For Everyone

Mark Medlock

Oh...I say it for everyone

Oh tears will fall  
Your heart will call  
Oh everytime you leave me  
You never can forget him  
Oh you never can forget him  
And in your heart you feel a storm  
And you cant stand the pain  
You never can forget him  
Oh you never can forget him

Oh you miss him so  
Yeah, cause you miss him so  
Every breath you take  
You take for him  
Yeah, oh...

Heaven is for everyone  
And you find it in your heart  
One day its forever  
Oh heaven is for everyone  
Just believe the words I say  
I promise youll see  
That the joke was on me

Ooho yeah...uuuuh...

All in one day  
What can I say  
Its easier said than done  
You never can forget him  
Oh you never can forget him  
Love as no pride  
You'll have to fight  
Dont take the way your heart  
But you never can forget him  
Oh you never can forget him

Oh you miss him so  
Yeah, cause you miss him so  
Every breath you take  
You take for him  
Yeah, ohoho...

Heaven is for everyone  
And you find it in your heart  
One day its forever  
Ohohoho heaven is for everyone  
Just belive the words I say  
I promise youll see  
That the joke was on me

Yeah yeah yeah ohoho that the joke was on me  
Uhuhuhuuu that the joke yeah was oh on me

Heaven is for everyone

And you find it in your heart  
One day its forever  
Ohohoho heaven is for everyone  
Just belive the words I say  
I promise youll see  
That the joke was on me
