

# I'm Just A Dreamer

Mark Medlock

Baby, at last night I had a dream.  
Now I thought of you.

Yeah, it's a lonely night  
In New York's heart.  
You hold my hand, love,  
But don't tear apart.  
It hurts me more  
Than words can say.  
It's crazy love  
In a long, long way.  
Something I haven't told you, girl.  
I think you're my soul, my world, my world.

I'm just a dreamer, Baby.  
Dreaming of you,  
Day and Night.  
Day and Night.  
I'm just a dreamer, Baby.  
You're my day  
And you're my life.  
Yeah, you're my life, yeah.

It's a special thing between me and you.  
Can I trust you, Baby?  
See what love will do.  
If you really love me,  
You will understand.  
Oh, it's like a river  
And I will be your man.  
Something, my Baby, is on my mind.  
I know the love is hard to find.

I'm just a dreamer, Baby.  
Dreaming of you,  
Day and night.  
Yeah, day and night.  
I'm just a dreamer, Baby.  
You're my day,  
And you're my life, yeah...  
Yeah...

Baby...  
Yeah...yeah...  
I'm just a dreamer, Baby.  
Dreaming of you,  
Day and night.  
Yeah, day and night.  
I'm just a dreamer, yeah, Baby.  
You're my day,  
And you're my life.  
Yeah, you're my life, yeah.

Dreamer, Baby.  
Dreaming of you,  
Day and night.  
Yeah, day and night.

I'm just a dreamer, oh, Baby.  
You're my day,  
And I'm your my life.  
You're my life, yeah.

I'm just a dreamer,  
Day and night, yeah.  
Oh, Baby, can't you see?  
You're my day,  
I'm your life,  
Baby, I'm your life, yeah.
