

# If I Can't Have Your Love

Mark Medlock

If I can't have your love.....yeah  
Sometimes I wonder  
wonder why you're gone  
Sometime it's so hard  
I can't going on  
Can't stand the heartachs  
can't stand the pain  
Baby come....oh come back....back again  
Refrain:  
If I can't have your love  
I don't want no other  
If I can't have your love  
I don't want no one  
In the heat of the night  
you saying goodbye  
Can we try  
where we started  
where we started  
Sometimes I hurt you  
Baby endlessly  
Sometimes you hurt me  
I can't get no sleep  
Can't stand the moments  
Can't stand the tears  
Baby what another...another year  
Refrain:  
If I can't have your love  
I don't want no other  
If I can't have your love  
I don't want no one  
In the heat of the night  
you saying goodbye  
Can we try  
where we started  
where we started  
Oh... Can we going  
Uh baby don't you....ohoho  
If I can't have your love  
I don't want no other  
If I can't have your love  
I don't want no one  
In the heat of the night  
you saying goodbye  
Can we try  
where we started  
Yeah...stay with me
