

Part Time Lover

Mark Medlock

Oh Lord, can't you see,
what she means to me.
And I can't survive,
without this woman in my life.

Oh Lord, though I show,
then my love will grow,
it's easier set and done,
because my love is deep and strong.

Dieter Bohlen:

Oh, there's one for her smile, that she gives to me.
And it's true, for her walk, she's my destiny.
And it's sweet, when she touched me with her pretty face,
and it's for, because I love her, like an angels embrace.

Mark Medlock:

Ohohohoh...
Everytime, I be your pretty part time lover,
Ohohohoh...
everytime I proof it, there will be no other.
Ohohohoh...
Baby you are more and just a mens desire.
Ohohohoh...
And nobody, baby, ever takes me higher.

Oh Lord, though I show,
then my love will grow,
it's easier set and done,
because my love is deep and strong.

Dieter Bohlen:

Oh, there's one for her kissing, that she'll give to me,
and it's true, for her magic, she's my destiny.
And it's weak for her beauty and her pretty face,
and it's for, because I love her, like an angels embrace.

Mark Medlock:

Ohohohoh...
Everytime, I be your pretty part time lover,
Ohohohoh...
everytime I proof it, there will be no other.
