

# You Can Get It

Mark Medlock

Nana nana nana nana nana nana nana nana

Oh I  
I always call your name  
You're driving me insane again  
Baby don't let it end  
Oh I  
I wanna dry your tears  
There are so many fears again  
Baby don't let it end  
Baby don't let it end

Oh you can get it  
If you really try  
You can run,  
But don't hide  
You can reach your heaven love  
If you really fight  
You can get it  
If you really want  
You can stop loving me  
Baby if you don't give up  
You're my destiny

Nana nana nana nana nana

Oh I  
wonder how I feel  
You make my dreams so real again  
Baby don't let it end  
Oh I  
I can't stop loving you  
See what love will do again  
Baby don't let it end  
Baby don't let it end

Oh you can get it  
If you really try.  
You can run,  
But don't hide  
You can reach your heaven love  
If you really fight  
Oh you can get it  
If you really want  
You can stop loving me  
Baby if you don't give up  
You're my destiny  
Nana nana nana nana  
Oh you can get it  
If you really try.  
You can get it,  
If you try.  
If you really fight...  
You can get it  
If you really want.  
You can stop loving me.  
You're my destiny.

Oh...yeah...yeaha...
