

Your Love

Mark 'Oh

I want to share these words with you
Don't turn away
It's you I'm singing for
I'm blinded by the things you do
The things you say
I wanted so much more
And when I say these words to you
In honesty
Oh will you understand
You don't know what 'm going through
So promise me
you'll let go off my hand
You mean so very much to me
Your every touch
A vampire's gentle kiss
surrendering so helplessly
So good - too much
The moments I will miss
So now I have to say goodbye
So torn apart
And black is all I see
To stay would mean I'd surely die
A broken heart
Your love is killing me
It's tearing me apart - your love
It's tearing at my heart - your love
It's tearing me apart - your love
It's killing me
and tearing deep into my heart - your love
Tearing me apart - your love
It's tearing at my heart - your love
Oh your love, your love, your love is tearing me apart
The ghost of love is haunting me
It's her I fear
Her poison is so sweet
The flame of love is burning me
For you so dear
Oh God I feel so weak
I'll love you 'till the day I die
Forget me not
A solemn Memory
So now I have to say Goodbye
What have I got
Your love is killing me
It's tearing me apart - your love
It's tearing at my heart - your love
It's tearing me apart - your love
It's killing me
and tearing deep into my heart - your love
Tearing me apart - your love
It's tearing at my heart - your love
Oh your love, your love, your love is tearing me apart
It's tearing me apart - your love
It's tearing at my heart - your love
It's tearing me apart - your love
It's killing me
and tearing deep into my heart - your love

It's burning me inside - your love
It's burning me alive - your love
Oh your love, your love, your love is tearing me apart
