

I May Never Go Home Anymore

Marlene Dietrich

Come on!
Join the party.
Have a hearty glass of rum.
Don't ever think about tomorrow.
For tomorrow, may never come.
When I find me a happy place.
That's where I wanna stay.
Time is nothing as long as I'm living it up this way.
I may never go home anymore.
Dim the lights and start locking the door.
Give your arms to me.
Give your charms to me.
Afterall that's what sailors are for.
I've got kisses and kisses galore.
That have never been tasted before.
If you treat me right.
This might be the night.
I may never go home
I may never go home.
I may never go home anymore.
I may never go home anymore.
Dim the lights and start locking the door.
Give your arms to me.
Give your charms to me.
Afterall that's what sailors are for.
I've got kisses and kisses galore.
That have never been tasted before.
If you treat me right.
This might be the night.
I may never go home
I may never go home.
I may never go home anymore.
