I See The Rain

Marmalade

Beautiful day, I'd like to lie on the green lawn
The ducks are congregating round and round the lily pond
And the cows have all gone
Runnin' home to put their coats on

Stay indoors while it pours till tomorrow

I see the rain again, I must complain again Why does the rain let me down? Will you try to make it sunny in the morning?

Five to ten and now it's time for the weather Sun will shine and in its time get better But it won't last for long Clouds are spreading over London town

Stay indoors while it pours till tomorrow

I see the rain again, I'll take the blame again I see the rain lets you down But I'm gonna' make it sunny in the morning?

Stay indoors while it pours till tomorrow

I see the rain again, I'll take the blame again I see the rain lets you down But I'm gonna' make it sunny in the morning?
