

I Shall Be Released

Marmalade

They say ev'rything can be replaced
Yet ev'ry distance is not near
So I remember ev'ry damn face
Of ev'ry bastard who put me here
I see my light come shining
From the west down to the east
Any day now, any day now
I shall be released.

They say ev'ry man needs protection
They say ev'ry man must fall
Yet I swear I see my reflection
Some place so high above the wall
I see my light come shining
From the west down to the east
Any day now, any day now
I shall be released.

Now stands a man in this lonely crowd
a man who swears he's not to blame
every night I hear him crying out so loud
crying cause he was framed
I see my light come shining
From the west down to the east
Any day now, any day now
I shall be released.

I see my light come shining
From the west down to the east
Any day now, any day now
I shall be released.
I see my light come shining
From the west down to the east
Any day now, any day now
