Fortune Teller

Maroon 5

I'm not a fortune teller
I won't be bringing news of what tomorrow brings
I'll leave that up to you
I'm not a fortune teller
Don't have crystal ball
I can't predict the future
Can't see nothing at all
It doesn't mean I'm afraid of all the things that you say
But I just think we should stay
Stuck in the moment today
And as the seasons roll back
No matter how hard I try
Summer will end and the leaves will turn again

I don't know why you're acting like this
I don't know why you have to do it again
Why you have to go, and ruin the night
Don't worry about tomorrow's mess

I never know how the future will go
I don't know what to tell you, I'm not a fortune teller
I never change, but I want you to stay
I don't know what to tell you, I'm not a fortune teller

I don't like watching TV
I don't know what that all means
And your american dream, baby it just stays in me
I know what I'm thinking, may not be in your mind
I know the song I'm singing, it's not your favorite kind
It doesn't mean I'm afraid of all the things that you say
But I just think we should stay
Stuck in the moment today
And as the seasons roll back
No matter how hard I try
Summer will end and the leaves will turn again

I don't know why you're acting like this
I don't know why you have to do it again
Why you have to go, and ruin the night
Don't worry about tomorrow's mess

I never know how the future will go
I don't know what to tell you, I'm not a fortune teller
I never change, but I want you to stay
I don't know what to tell you, I'm not a fortune teller

This feeling, keeps growing, these rivers keep flowing
How can I have answers when you drive me in questions

I never know how the future will go
I don't know what to tell you, I'm not a fortune teller
I never change, but I want you to stay
I don't know what to tell you, I'm not a fortune teller

I never know how the future will go
I don't know what to tell you, I'm not a fortune teller
I never change, but I want you to stay

I don't know what to tell you, I'm not a fortune teller

I don't know what to tell you, I'm not a fortune teller
