

Get Back In My Life

Maroon 5

You are relentless
I am defenceless
Why did you knock me down tonight?
You beat me senseless
I just don't get this
How many times do I have to try?

Your whisper, so clear
The world disappeared
I've fallen to the darkness
It's impossible to express
I move, confused
I'm wrapped up, I've sinned
So tired I'll never be free
Oh I don't fight the feeling

Get back in my life
Come knock on my door
What I'm looking for
I think you should know
You started up fine
Put me to the floor
Please don't resist anymore
I'll never leave you alone

Oh yeah

You reprimanded
You're so dramatic
But I've got time
I don't mind at all
You're picture-perfect
Completely worth it
You've got my back against the wall
Yeah

Your whisper, so clear
The world disappeared
I've fallen to the darkness
It's impossible to express
I move, confused
I'm wrapped up, I've sinned
So tired I'll never be free, yeah
Oh I don't fight the feeling

Get back in my life
Come knock on my door
What I'm looking for
I think you should know
You started up fine
Put me to the floor
Please don't resist anymore
I'll never leave you alone

And can you feel it coming?
I'm screaming, scratching, crawling
And we know it 'cause I'm always

Coming back to you, coming back to you
And you know how much I miss it
And you know I can't resist it
See your lips and just come running
Round back to you, round back to you

Get back in my life
Come knock on my door
What I'm looking for
I think you should know
You started up fine
Put me to the floor
I can't do this anymore
I'll never leave you alone

Get back in my life
Ooooh come on now
Yeah
Oh
I'll never leave you alone
