

Just A Feeling

Maroon 5

I watched you cry
Bathed in sunlight
By the bathroom door
You said you wished you did not love me anymore

You left your flowers in the backseat of my car
The things we said and did have left permanent scars
Obsessed depressed at the same time
I can't even walk in a straight line
I've been lying in the dark no sunshine
No sunshine
No sunshine

She cries
This is more than goodbye
When I look into your eyes
You're not even there
It's just a feeling
Just a feeling
Just a feeling that I have
Just a feeling
Just a feeling that I have, oh yeah

Cause I can't believe that it's over

You've hit your low
You've lost control and you want me back
You may not believe me but I gave you all I had
Undress confess that you're still mine
Roll around in a bed full of tears
I'm still lying in the dark no sunshine
No sunshine
No sunshine

She cries
This is more than goodbye
When I look into your eyes
You're not even there

It's just a feeling
Just a feeling
Just a feeling that I have
Just a feeling
Just a feeling that I have

No I can't believe that it's over now
Just a feeling
Just a feeling that I have

So much to say
It's not the way she does her hair
It's the way she seems to stare right through my eyes
And in my darkest day when she refused to run away
From love she tried so hard to save

It's just a feeling
Just a feeling

Just a feeling that I have
Just a feeling
Just a feeling that I have

It's just a feeling
Just a feeling
Just a feeling that I have
Just a feeling
Just a feeling that I have

I can't believe that it's over
I can't believe that it's over
Now I can't believe that's it's over, yeah
