## **My Heart Is Open**

I know you're scared I can feel it It's in the air, I know you feel that too But take a chance on me You won't regret it, no One more "no" and I'll believe you I'll walk away and I will leave you be And now's the last time you'll say no, say no to me It won't take me long to find another lover But I want you I can't spend another minute getting over loving you If you don't ever say yeah Let me hear you say yeah Wanna hear you say yeah yeah yeah Until my heart is open Now you gotta say yeah Let me hear you say yeah Wanna hear you say yeah yeah yeah Wanna hear you say Wanna hear you say Wanna hear you say Yes, yes, yes, yes Yes, yes, yes, yes It's just a moment going sea-saw Don't be afraid to give your heart to me And if you do, I know that I won't let you down, no Yeah, so hand it over, trust me with your love I'll do anything you want me to Cause I can't breath until I see your face Oh and I don't need time to find another love But I want you I can't spend another minute getting over loving you If you don't ever say yeah Let me hear you say yeah Wanna hear you say yeah yeah yeah Until my heart is open Now you gotta say yeah Let me hear you say yeah Wanna hear you say yeah yeah yeah Wanna hear you say Wanna hear you say Wanna hear you say Yes, yes, yes, yes Yes, yes, yes, yes
