New Love

I'll be Sunday moon tonight I can be whatever you like, oooh I was alone but I met it a few I wanna show you my feelings are real, yeah All this time I've been living it up And every night I'd be falling in love, oooh But I'm finally seeing the light Falling in love with you every night, yeah

But if I ever let you down If I ever let you down Forgive me, forgive me, now Would it kill you to forgive me now But if I ever let you down If I ever let you down Forgive me, forgive me, now Would it kill you to forgive me This is a new love This is a new love Would it kill you to forgive me

What the f*ck, I got nothing to lose I'm a slave of the way that you move, oooh I'm an addict for all that you do You're the only drug I wanna do, yeah I can tell that you're needing my love And all I want is to give it to you, oooh And don't give up on the moment tonight You'll regret it the rest of your life, yeah

But if I ever let you down If I ever let you down Forgive me, forgive me, now Would it kill you to forgive me now But if I ever let you down If I ever let you down Forgive me, forgive me, now Would it kill you to forgive me This is a new love This is a new love Would it kill you to forgive me

I still don't get it Cause if you don't know it yet You'll know that I'm not your enemy, your enemy yeah Cause I know I lie And it wouldn't kill you child Won't go until you've forgiven me, forgiven me Till you forgiven me, forgiven me

But if I ever let you down If I ever let you down Forgive me, forgive me, now Would it kill you to forgive me now But if I ever let you down
