

# Nothing Lasts Forever

Maroon 5

It is so easy to see  
Dysfunction between you and me  
We must free up these tired souls  
Before the sadness kills us both

I tried and tried to let you know  
I love you but I'm letting go  
It may not last but I don't know  
Just don't know

If you don't know  
Then you can't care  
And you show up  
But you're not there  
But I'm waiting  
And you want to  
Still afraid that I will desert you

Everyday  
With every worthless word we get more far away  
The distance between us makes it so hard to stay  
But nothing lasts forever, but be honest babe  
It hurts but it may be the only way

A bed that's warm with memories  
Can heal us temporarily  
But misbehaving only makes  
The ditch between us so damn deep

Built a wall around my heart  
I'll never let it fall apart  
Strangely I wish secretly  
It would fall down while I'm asleep

If you don't know  
Then you can't care  
And you show up  
But you're not there  
But I'm waiting  
And you want to  
Still afraid that I will desert you, babe

Everyday  
With every worthless word we get more far away  
The distance between us makes it so hard to stay  
But nothing lasts forever, but be honest babe  
It hurts but it may be the only way

Though we have not hit the ground  
It doesn't mean we're not still falling,  
Oh I want so bad to pick you up  
But you're still too reluctant to accept my help  
What a shame, I hope you find somewhere to place the blame  
But until then the fact remains

Everyday  
With every worthless word we get more far away

The distance between us makes it so hard to stay  
Nothing lasts forever, but be honest babe  
It hurts but it may be the only way

Everyday

With every worthless word we get more far away  
The distance between us makes it so hard to stay  
But nothing lasts forever, but be honest babe  
It hurts but it may be the only way
