

# She Will Be Loved

Maroon 5

**Bmi** **A**  
Beauty queen of only eighteen  
**Bmi** **A**  
She had some trouble with herself  
**Bmi** **A**  
He was always there to help her  
**Bmi** **A**  
She always belonged to someone else

I drove for miles and miles  
And wound up at your door  
I've had you so many times but  
somehow I want more

**D5** **A**  
R: I don't mind spending everyday  
**Bmi** **G5**  
Out on your corner in the pouring rain  
**D5** **A**  
Look for the girl with the broken smile  
**Bmi** **G5**  
Ask her if she wants to stay awhile  
**D5** **A**  
And she will be loved  
**Bmi** **G**  
And She will be loved

Tap on my window knock on my door  
I want to make you feel beautiful  
I know I tend to get so insecure  
It doesn't matter anymore

It's not always rainbows and butterflies  
It's compromise that moves us along  
My heart is full and my door's always open  
You can come anytime you want

R: I don't mind...

I know where you hide  
Alone in your car  
Know all of the things that make you who you are  
I know that goodbye means nothing at all  
Comes back and begs me to catch her every time she falls
