

# Stutter

## Maroon 5

I really, I really, whoa  
I really need to know  
I really, I really, whoa  
Or else, you gotta let me go, oh  
I really, I really

This time I really need to do things right  
Shivers that you give me keep me freezing all night

You make me shudder, oh yeah  
I can't believe it, I'm not myself,  
Suddenly I'm thinkin' about no one else  
You make me shudder

Oh I really need to know  
Or else you gotta let me go  
You're just a fantasy girl  
It's an impossible world  
All I want is to be with you always  
I give you everything  
Pay some attention to me  
All I want is just you and me always

Give me affection  
I need your perfection  
Cause you feel so good  
You make me stutter, stutter

If I could touch you, I'd never let go  
Now you got me screaming and I cannot shut up, oh, shut up, yeah  
Now I am lying on the bedroom floor barely even speaking

And I cannot get up, get up  
Oh I really, I really, I really need to know  
Or else you gotta let me go, ooh

You're just a fantasy girl  
It's an impossible world  
All I want is to be with you always  
I give you everything  
Pay some attention to me  
All I want is just you and me always

Give me affection  
I need your perfection  
Cause you feel so good  
You make me stutter, stutter, stutter

You knock me down, I can't get up, I'm stuck  
Gotta stop shaking me up  
I can't eat, can't sleep, can't think,  
Sinking under, I'm sinking under

You're just a fantasy girl  
It's an impossible world  
All I want is to be with you always  
I give you everything

Pay some attention to me  
All I want is just you and me always

You're just a fantasy girl  
It's an impossible world  
All I want is to be with you always  
Give me affection, I need your perfection  
Cause it feels so good you make me stutter

I'll give you everything  
Give some attention to me  
All I want is you and me always

Give me affection  
I need your perfection

Cause it feels so good  
You make me stutter  
You make me stutter  
You make me stutter
