

Sweetest Goodbye

Maroon 5

Am7 D G Em

Ami7

Where you are seems to be,

D

As far as an eternity

G

Outstretched arms open hearts,

Emi

And if it never ends then when do we start?

I'll never leave you behind

Or treat you unkind

I know you understand

Ami7

Ooh And with a tear in my eye,

D

G

Give me the sweetest goodbye

Emi6

C

That I ever did receive

B

Pushing forward and arching back

Emi

Emi6

Bring me closer to heart attack

C

B

Say goodbye and just fly away

Emi

Emi6

When you comeback

I have some things to say

C

BEmi

How does it feel to know you never have to be alone

Emi6

When you get home

C

B

Emi

There must be someplace here that only you and I could go

Emi6

So I can show you how I...

Dream away everyday

Try so hard to disregard

The rhythm of the

rain that drops

And coincides with the beating of my heart

I'll never leave you behind

Or treat you unkind

I know you understand yeeh yeeh yeah

And with a tear in my eye

Give me the sweetest goodbye

That I ever ever ever did receive

Pushing forward and arching back

Bring me closer to heart attack

Say goodbye and just fly away

When you comeback

I have some things to say

How does it feel to know you never have to be alone
When you get home

There must be someplace here that only you and I could go
So I can show

C **B** **Emi** **Emi6**
you how I... Feel feel feel feel
