I'm full of regret

F

For all things that I've done and said

Am

And I don't know if it'll ever be ok to show

Would you ever turn your head and look

See if I'm gone

Cause I fear

E

Am

E

R: There is nothing left to say to you

C

That you wanna hear

D

That you ought to know

And I've done you so wrong

C

Treated you bad

D

Strung you along

F

Oh shame on myself

E

Am

I don't know how I got so tangled
