

Ritmo solar

Marquess

It was supposed to be your summer song
but I wonder if you can get it wrong.
You'd always been my sun support,
so I don't care about the weather report.

Sun, sun, sunshine and rain,
feel the same again, with you.
Sun, sun, sunshine and rain,
feel the same again, with you.

It was supposed to be your summer song,
just wanna give you a sweet singalong.
You'd always been my sun support,
so I don't care about the weather report.

Sun, sun, sunshine and rain,
feel the same again, with you.
Sun, sun, sunshine and rain,
feel the same again, with you.

Debe ser un golpe de verano.
Pero ya no cuido sobre el tiempo.
Siento ritmo solar contigo.
Es verdadero, no vértigo.

Sun, sun, sunshine and rain,
feel the same again, with you.

(No vértigo)

Sun, sun, sunshine and rain,
feel the same again, with you.

(No vértigo)

Sun, sun, sunshine and rain,
feel the same again, with you.

Sun, sun, sunshine and rain,
feel the same again, with you.
