

# I Got It Bad

Marsha Ambrosius

I want you to stay, don't you leave me, babe  
I came all the way to tell you how I feel today  
I want to kiss your face, let me know my place  
It's been a wonder pretendin' I can just walk away

Can't walk away, I need you, babe  
'Cause my world without you in it, it don't feel the same  
No, I can't walk away, I need you, babe  
Every second, every minute, listen to me when I say

I want you to stay, don't you leave me, babe  
I came all the way to tell you that is real today  
I want to kiss your face, let me know my place  
It's been a wonder pretendin' I can just walk away  
No, I can't walk away, I need you, babe  
'Cause my world without you in it, it don't feel the same  
No, I just can't walk away, I need you, babe  
There's not a second, every minute, listen to me when I say

I got it bad, I got it bad, I got it bad, I got it bad for you  
I got it bad, I got it bad, I got it bad, I got it bad for you  
I want you to stay, yeah  
I want you to stay

Can't walk away, I need you, babe  
'Cause my world without you in it, it don't feel the same  
No, I just can't walk away, I need you, baby  
Every second, every minute, listen to me when I say

I got it bad, I got it bad, I got it bad, I got it bad for you  
I got it bad, I got it bad, I got it bad, I got it bad for you  
I want you to stay  
I want you to stay  
Stay

I got it bad, I got it bad, I got it bad, I got it bad for you  
I got it bad, I got it bad, I got it bad, I got it bad for you  
I got it bad, I got it bad, I got it bad, I got it bad for you  
I got it bad, I got it bad, I got it bad, I got it bad for you  
I got it bad, I got it bad, I got it bad
