

Sometimes

Martin Jondo

Well sometimes there are many rocks on your way
And sometimes there are rivers but no bridge to see but
You got to keep going on
And trust in love yeah
You got to keep going on
And trust in love yeah
And sometimes you won't see the sun in the sky
And sometimes it is a good friend who got to die but
You got to keep going on
And trust in love yeah
You got to keep going on
And trust in love yeah

Well sometimes life's getting dark and so cold
You got to keep your head up high above the dirt of the road
Well sometimes life's getting dark and so cold
You got to keep your head up high above the dirt of the road

Well sometimes your life is hanging by the thread
And sometimes sympathy is driving you mad
You got to keep going on
And trust in love yeah
You got to keep going on
And trust in love yeah

Well sometimes there is a storm raging in your head
And sometimes you feel you feel you feel you feel
You feel you feel you feel
Sometimes life's getting dreader than dread
Sometimes you feel like you are almost dead
And sometimes life is getting out of control
And thief na wan fe see thief with long bag oh no
Sometimes the evil one is one step ahead
So you got to keep on moving running if you wanna win
Jump up over dem fence trough dem wall
Never ever let dem stop you or make you fall

Well sometimes life's getting dark and so cold
You got to keep your head up high above the dirt of the road
Well sometimes life's getting dark and so cold
You got to keep your head up high above the dirt of the road
