

# Jealousy

Martin Solveig

I can't stand the people after me  
Don't want anymore jealousy  
They pretend to be my friend  
They say this for ever  
Al they set to give their hand  
Any brand new commer

Ahaaa! They wanna put me down  
Ahaaa! They let me hit the ground

Someone said that I like gamble  
Mister, I don't wanna rumbe  
Controversy in my head  
They don't seem to understand  
I can't feel my Dont have time for paddy man

Ahaaa! Somebody set me free  
Ahaaa! I'm tired of your sympathy  
Ahaaa! Jealousy!

Don't tell me I'm weaping out for you  
Seem to me that your around or two  
I don't wanna argue look  
You think I'm out my head  
I guess I should thank you look  
For the moment, I feel bad

Ahaa! You Wanna put me down  
Ahaa!  
You tell me that that I had my time  
Left the golden ages behind  
I am ready to take it easy  
Even if your talking vain  
I don't wanna hear you baby  
Bang bang here I come again

Ahaaa! Somebody set me free  
Ahaaa! I'm tired of your sympathy

Ahaaa! Jealousy!

Let's make a brand new start  
Open up your mind  
Get rid of some of this this jealousy  
It's bothering me  
For al this jealousy!

Somebody help me!  
Somebody! Somebody! Somebody!  
Stop this jealousy!  
Ahaaa! Jealousy!
