

When I Need You

Martina Balogová

When I need you
I just close my eyes and I'm with you
And all that I so want to give you
It's only a heart beat away

When I need love
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day

Miles and miles of empty space in between us
A telephone can't take the place of your smile
But you know I won't be traveling for ever
It's cold out, but hold out and do like I do

When I need you
I just close my eyes and I'm with you
And all that I so want to give you babe
It's only a heartbeat away

It's not easy when the road is your driver
Honey, that's a heavy load that we bear
But you know I won't be traveling a lifetime
It's cold out but hold out and do like I do
Oh I need you

When I need you
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day

When I need you
I just close my eyes and I'm with you
And all that I so want to give you
It's only a heart beat away
