

# Everybody Does

Martina McBride

This ain't the first time you've fallen in love  
With your heart wide open  
Feeling just like a fool knowing that  
You're the only one left holding on  
He broke your heart  
You can't cry hard enough  
But you're not the only one

R: Everybody loves someone  
Everybody hurts sometimes  
Everybody says they'll never fall again  
But everybody does  
Yeah, everybody does

How many times have you said he's the one  
And found out that he wasn't  
Always thinking it's gonna hurt forever  
But then one day it doesn't anymore  
You've come so far  
Still a long way to go  
Just remember you're never alone

R:

Everybody jumps in  
Never really knowin'  
Where it's really goin'  
You just have to trust in  
Your heart, oh yeah

R:
