

## There You Are

Martina McBride

There you are in the early light of day  
There you are in the quiet words I pray  
I've been blessed by the simple happiness  
Of the perfect love we've made

Every time I turn around  
When I'm lost and when I'm found  
Like an angel standing guard  
There you are  
Every time I take a breath  
And when I forget to breathe  
You're watching over me  
There you are  
When I'm looking for the light  
In the middle of the night  
Searching for the brightest star  
There you are

There you are in standing in a crowded room  
There you are the earth and I'm the moon  
My desire is to stand by the fire  
That burns inside of you

Every time I turn around  
When I'm lost and when I'm found  
Like an angel standing guard  
There you are  
Every time I take a breath  
And when I forget to breathe  
You're watching over me  
There you are  
When I'm looking for the light  
In the middle of the night  
Searching for the brightest star  
There you are

When I'm looking for the light  
In the middle of the night  
Searching for the brightest star  
There you are  
There you are  
There you are
