Whatever You Say

Martina McBride

You think I'm always makin' Something out of nothin' You're sayin' everything's okay You've always got an answer Before I ask the question Whatever you say

Now we can change the subject Pretend I never brought it up Same old story anyway Later we can work it out Right now you're talked out Yeah, whatever you say

Oh I know you can hear me But I'm not sure you're listening I hear what you're sayin' But still there's somthing missin' Whether I go whether I stay Right now depends on Whatever you say

You say yes you need me And no you wouldn't leave me And this should be enough to make me stay And even though I want to I don't hear I love you In whatever you say

Oh I know you can hear me But I'm not sure you're listening I hear what you're sayin' But still there's somthing missin' Whether I go whether I stay Right now depends on Whatever you say

Oh whether I go whether I stay Right now depends on Whatever you say Whatever you say Whatever you say
