Love Me

Martine McCutcheon

I remember times, my love
When we really had it all
You were always there to make me smile
And help me when I fall
Ooh, I can't believe you're leaving me
When there's so much more to say
I can't let you go
Ooh, every time I look at you
I still feel the glow
Let it be, let it grow

Oh, love me, please
Just a little bit longer
Together we can make it
Our love is much too young to break it
Oh, love me, please
Just a little bit harder
Together we can make it
Our love is much too young to break it

All, all I ever wanted
Was to have you to myself
(Ooh) when I see you standing there
In the arms of someone else
Ooh, you know a girl can stand so much
And it's more than I can bear
I can't let you go
Ooh, every time I look at you
I still feel the glow
Let it be, let it grow

Oh, love me, please
Just a little bit longer
Together we can make it
Our love is much too young to break it
Oh, love me, please
Just a little bit harder
Together we can make it
Our love is much too young to break it

You never even try (never even try)
To see things my way
It's hard on a woman
When love ain't no love at all
And when you walk away (when you walk away)
You probably will
You're gonna be sorry
I'm begging you, please

Love me, please (love me, love me, love me)
Just a little bit longer (ohh)
Together we can make it
Our love is much too young to break it
Love me, please
Just a little bit harder
Together we can make it
Our love is much too young to break it

Love me, please
Just a little bit longer (just a little bit harder)
Together we can make it
Our love is much too young to break it, yeah
Love me, please (love me, love me, love me)
Just a little bit harder (just a little bit harder)
Together we can make it..
