## **Crying Steel Guitar Waltz**

## Marty Robbins

The steel guitar played when I met her and it played the night I lost her Yes you drove her to another with your sweet Hawaiian chimes I know you're sorry but it's too late now and I know you meant no harm But the waltz that you were playing put her in another's arms

Cry steel guitar cry on you're crying because you know she is g one Gone with another and I'm all alone so cry steel guitar cry on Cry steel guitar cry on...
