

I'm In The Mood For Love

Marty Robbins

I'm in the mood for love simply because you're near me
Funny but when you're near me I'm in the mood for love
Heaven is in your eyes bright as the stars way under
Then is there any wonder I'm in the mood for love.

Why stop to think of weather this little dream might fade
We put our hearts together now we are warm I'm not afraid
If there's a cloud above us if it should rain then let it
But for tonight forget it I'm in the mood for love.

Heaven is in your eyes bright as the stars way under
Then is there any wonder I'm in the mood for love.

I'm in the mood for love...
