## **Too Young**

## **Marty Robbins**

They try to tell us we're too young Too young to really be in love They say that love's a word A word we've only heard And can't begin to know the meaning of

And yet, we're not too young to know This love will last tho' years may go And then, some day, they may recall We were not too young at all

And yet, we're not too young to know This love will last tho' years may go And then, some day, they may recall We were not too young at all
