## You Belong To My Heart

## **Marty Robbins**

You belong to my heart Now and forever And our love had its start Not long ago, We were gathering stars while a million guitars played our love song; When I said "I love you", ev'ry beat of my heart said it too. 'Twas a moment like this Do you remember? And your eyes threw a kiss When they met mine; Now we own all the stars and a million guitars are still playin g Darling, you are the song, and you'll always belong to my heart .
