

Don't Be Cruel

Marty Stuart

You know I can be found,
Sitting home all alone,
If you cant come around,
At least please telephone.
Dont be cruel to a heart thats true.

Baby, if I made you mad
For something I might have said,
Please, lets forget the past,
The future looks bright ahead,
Dont be cruel to a heart thats true.
I dont want no other love,
Baby its just you Im thinking of.

Dont stop thinking of me,
Dont make me feel this way,
Come on over here and love me,
You know what I want you to say.
Dont be cruel to a heart thats true.
Why should we be apart?
I really love you baby, cross my heart.

Lets walk up to the preacher
And let us say I do,
Then youll know youll have me,
And Ill know that Ill have you,
Dont be cruel to a heart thats true.
I dont want no other love,
Baby its just you Im thinking of.

Dont be cruel to a heart thats true.
Dont be cruel to a heart thats true.
I dont want no other love,
Baby its just you Im thinking of
