

# Wishful Thinkin'

Marty Stuart

Wishful thinkin', wishful thinkin'  
Only dreams that don't come true  
When that evenin' sun goes sinkin'  
Wishful thinkin', where are you

A little voice inside convinced me  
Made me think she'd turn around  
But the deck was stacked against me  
By the time that deal went down  
That deal went down

Wishful thinkin', wishful thinkin'  
Only dreams that don't come true  
When that evenin' sun goes sinkin'  
Wishful thinkin', where are you

Lord, I wish I would have listened  
Listened to my second mind  
But those sweet lips I was kissin'  
Must have struck my reason blind  
My reason blind

Wishful thinkin', wishful thinkin'  
Only dreams that don't come true  
When that evenin' sun goes sinkin'  
Wishful thinkin', where are you  
Where are you  
Where are you  
Honey, where are you

(Wishful thinkin')  
(Wishful thinkin')  
(Wishful thinkin')  
(Wishful thinkin')
