

Going Gone

Mary Black

There is a lighthouse in the harbor
Giving guidance with its light
But I had no one to return to
As I wander through life

From the first time that I saw you
Standing silent by the shore
I knew my search was over
And I would look for love no more

Deep in the waters of love I am falling, sinking like a stone
Deep in my heart I can hear love calling
Going once, going twice, going gone
Going once, going twice, going gone

There is a ship on the horizon
Making its way against the wind
And from the place where I stand watching
I swear my ship is coming in

Deep in the waters of love I am falling, sinking like a stone
Deep in my heart I can hear love calling
Going once, going twice, going gone
Going once, going twice, going gone

Deep in the waters of love I am falling, sinking like a stone
Deep in my heart I can hear love calling
Going once, going twice, going gone
Going once, going twice, going gone
