

I Will Be There

Mary Black

When times are hard and friends are few
And you need someone to help you through
Just call my name and I'll come running to your side
Don't be afraid, don't be afraid

I will be there
When you are lost, lost in the night, no where to run
I will be there
Don't be afraid, don't be afraid

When morning comes and nothing's changed
And the world outside plays the same old game
Just call on me and I will ease your lonely heart
Don't be afraid, don't be afraid

I will be there
When you are lost, lost in the night, no where to turn
I will be there
Don't be afraid, don't be afraid

I will be there
When every one that you believe, still lets you down
I will be there
Don't be afraid, don't be afraid

'Cause I will be there, don't be afraid
I will be there, don't be afraid
I will be there

When morning comes and nothing's changed
And the world outside plays the same old game
When everyone still lets you down
I will be there

When morning comes and friends are few
You need someone, you need someone to help you through
I will be there, don't be afraid
I will be there, don't be afraid

I will be there
When you are lost, lost in the night, no where to turn
I will be there
Don't be afraid, don't be afraid

I will be there
When everyone that you believe, still lets you down
I will be there
Don't be afraid, don't be afraid

I will be there
When you are lost, lost in the night, no where to turn
I will be there
Don't be afraid, don't be afraid
